Steve Brooks will be speaking on "Thank Heaven for Moral Relativism."

The Ten Commandments are back in the news, thanks to the Texas Legislature. Steve Brooks deconstructs them to offer a fresh take on morality and its supposed opposite: moral relativism. He shows how relativism can be a source of human progress, and how the key moral question is not, "Who is my God?" but "Who are my relatives?" Want to take the M-word back from the immoral minority? Here's a way to start.

2026 Stewardship Drive Begins!

Dear Friends and Members of Open Hearts & Minds Fellowship:

Our 2026 stewardship drive has launched. The purpose of the drive is to obtain your financial commitment for support of OHMF during the coming year. Your contributions are extremely important because they help determine the viability of our budget planning and allow us to address additional goals and social justice activities for the coming year. The projected budget is available for viewing at the following link:

<https://drive.google.com/file/d/1-ojWXE23Q0FIYBSIk9veGclH-lgQSSaZ/view?usp=sharing>

At this time, we are seeking your commitment for planning purposes only. Donations may be made after the first of the year. We are limiting this year's drive to be completed by December 28th when we will announce our total pledge commitments during the Fourth Sunday Holiday Service.

To simplify the process, we have developed an electronic pledge form that is available here: <https://www.ohmfellowship.org/pledge>. Once you complete and submit the form, it will be delivered to our Treasurer.

The pledge form is also directly accessed from our website under the "More" heading. www.ohmfellowship.org

Thank you in advance for your generous commitments. If you have any questions, please feel free to contact Dagmar or David.

Sincerely,

The Stewardship Team
