**OPEN
HEARTS
& MINDS
FELLOWSHIP**

Thank Heaven for Moral Relativism

The Ten Commandments are back in the news, thanks to the Texas Legislature. Steve Brooks deconstructs them to offer a fresh take on morality and its supposed opposite: moral relativism. He shows how relativism can be a source of human progress, and how the key moral question is not, “Who is my God?” but “Who are my relatives?” Want to take the M-word back from the immoral minority? Here’s a way to start.

**FOURTH
SUNDAY
IN-PERSON
SERVICE**

JANUARY 25, 2025 10:30 AM
South Austin Senior Activity Center
3911 Menchaca Road
Austin, TX 78704

Do Good Day - a message from Linda and Debbie

Dear OHM Members and Friends:

We're looking for your suggestions and input on a new OHM activity
- Do Good Day.

Michael Johnson has an idea for an activity in which we can get together in different venues, enjoy each other's company, while doing something useful for each other, an organization, or our community, on a quarterly basis.

We are looking for your ideas for hands-on projects. Around Christmas time, a group of us has enjoyed volunteering with the Salvation Army Angel Tree project. OHM friends and members could spend an enjoyable afternoon together cleaning up the garden for one of our group, working with one of our quarterly charities, sending postcards in support of a social issue that is consistent with our values, or as a group visiting a recycling center or place of interest in the Austin area.

If you have some ideas you would like us to consider, we would like to hear from you! And we hope this piques your interest in our Do Good Days.

Debbie White: 817-791-5836 talk or text

Linda Foss: windyhilllinda@yahoo.com

Book Club News

Our February read is “The Ten Thousand Doors of January” by Alix E. Harrow. Finalist for the 2020 Hugo, Nebula, Locus, and World Fantasy Awards.

From Amazon: In the early 1900s, in a sprawling mansion filled with peculiar treasures, January Scaller is a curiosity herself. As the ward of the

wealthy Mr. Locke, she feels little different from the artifacts that decorate the halls: carefully maintained, largely ignored, and utterly out of place. Then she finds a strange book. A book that carries the scent of other worlds, and tells a tale of secret doors, of love, adventure, and danger. Each page turn reveals impossible truths about the world and January discovers a story increasingly entwined with her own.
