## Open Hearts & Minds Fellowship Values

*We believe in making the world a better place by treating each other well and working for the common good.*

### Within Ourselves

We work to become better, kinder, and more heart-centered people.

We value reason, critical thinking, intuition, and emotional awareness.

We treat ourselves with kindness, realizing we are not perfect.

### Within Our Fellowship

We encourage growth and development in each other.

We nurture the human spirit through acceptance, forgiveness, kindness, and mercy.

We celebrate our joys and support one another in times of sorrow.

### With Others

We believe in the potential for good in every person.

We listen with compassion and encourage justice, equity, and cooperation in

conscience.

**With the Earth and Our Future**

We work for the common good and nurture our global community.

We are part of something much bigger than ourselves and recognize the miracles of everyday life.

We acknowledge the sacredness of the Earth and our responsibility to cherish and protect it for future generations.
