## Book Club News

Our April read is: I've Seen You Naked 8,000 Times by Ilene Haddad, an Austin author. This is a humorous memoir of essays and cartoons and tells the story of how Ilene's one night stand turned into decades of marriage, navigating religious differences, home improvement, mental illness, travel and romance. The author may even join us when we meet on the third Monday in April for our book discussion!

Book Club book discussion for I've Seen You Naked 8,000 Times is scheduled for Monday, April 20th at 4:15pm CT, 5:15pm ET.
