## **Urgent Call For Volunteers From Linda Foss**

Marla Menchaca, a new member of my Outdoors Woman group, is the Volunteer Coordinator with the non-profit Austin Science Education Foundation that runs the Greater Austin Science and Engineering Fair ([GARSEF](https://garsef.org)). Marla says: GARSEF is one of the largest

and oldest regional science fairs in Texas, now spanning 14 counties and 55 school districts, including private, charter, and home schools. This year's fair promises to be bigger than ever, and we need your help to make it a success.

We have a critical need for volunteers on Wednesday 2/18, Thursday 2/19, and Friday 2/20 for several key roles, including:

- Registration
- Display & Safety
- Project Set-Up
- Hall Monitoring

No prior experience is required—just enthusiasm and a willingness to help. Volunteers may sign up for a single shift or multiple days, and all training will be provided on-site. Volunteers may sign up for one shift or multiple days.

LOCATION: Palmer Event Center - no parking fee - handled through the sign-up system.

Register here: [GARSEF SignUp Genius](#)

If there is an opportunity to identify yourself as an OHM member, please do it! Or if you need to call Marla you can say the message was forwarded to you. Please reach out if you have any questions. You can contact Marla Menchaca via email or text or call at 512-554-5722.

**Do Good Day - a message from Linda and Debbie**

Dear OHM Members and Friends:

We're looking for your suggestions and input on a new OHM activity;  
Do Good Day.

Michael Johnson has an idea for an activity in which we can get together in different venues, enjoy each other's company, while doing something useful for each other, an organization, or our community, on a quarterly basis.

We are looking for your ideas for hands-on projects. Around Christmas time, a group of us has enjoyed volunteering with the Salvation Army Angel Tree project. OHM friends and members could spend an enjoyable afternoon together cleaning up the garden for one of our group, working with one of our quarterly charities, sending postcards in support of a social issue that is consistent with our values, or as a group visiting a recycling center or place of interest in the Austin area.

If you have some ideas you would like us to consider, we would like to hear from you! And we hope this piques your interest in our Do Good Days.

Debbie White: 817-791-5836 talk or text
